Bethesda, MD – Clovis Founders, Greg Diamond and Rick Levine, will be the featured guests on *The Growth Strategist*[™] hosted by Aldonna Ambler, a nationally known Internet radio program.

During the program, Mr. Levine and Mr. Diamond will be discussing how their organizational structure has been influenced by their passion for efficiency, and how their non-conventional staffing and recruiting firm has grown over 600% in the past few years.

The Growth Strategist[™] airs live every Tuesday at 11 a.m. ET and runs for one hour. It is interactive in that listeners can call or e-mail questions to the host or guest(s). Because shows are also available on-demand online and for free, Internet radio is a fast-growing and convenient medium for busy executives to gain information and insight.

“My show speaks directly to CEOs of fast-growth midmarket companies (\$20-200 million) about growth strategies, moving past plateaus, what to do next while Achieving Accelerated Growth With Sustained Profitability®,” says Ambler. “I invite guests from diverse industries, backgrounds, geography and philosophies to share how, when and why they are where they are today and how many speed bumps they hit on their journey.”
