## **Clovis in 2008 Book of Lists**

### **Clovis –Top Temporary Staffing Company and Top Executive Recruiting Firm.**

Bethesda, MD – Clovis was recognized by the Washington Business Journal twice this year. Ranked #14 on the “Temporary Staffing Companies” list, Clovis was also #5 on the list of “Executive and Professional Recruiters.” Both rankings were determined based on firm revenues.

“We are proud to have improved from last year,” said managing partner Rick Levine, “and we’re happy to be climbing the ranks.” This achievement is “a testament to the integrity and determination of our team,” said managing partner Greg Diamond, and it’s “a great way to start out a brand new year.”

The Book of Lists is a well known and established publication that executives regard as a source of credible, organizational information. Clovis’ placements on the lists may be viewed in the recently distributed Book of Lists for 2008.

### **About Clovis**

Founded in early 2000, Clovis ([www.clovisgroup.com](http://www.clovisgroup.com)) looked at the way recruiters and staffing firms operated and declared that they would do it better. Instead of making their business only about how to best recruit, they decided to focus on the two most important groups in the process, clients and candidates. Years later, Clovis continues to recruit "A-level" talent for some of the best companies in the world.
