FOR IMMEDIATE RELEASE

Clovis Wins 2009 SmartCEO/BDO Seidman Future 50 Award for the fourth year

Firm recognized as one of fastest growing companies in Greater Washington

Bethesda, MD, February 3, 2009 – Clovis was recently announced as a *Washington SmartCEO* magazine/BDO Seidman LLP 2009 Future 50 recipient, which recognizes the 50 fastest growing companies in the Greater Washington area based on employee and revenue growth over a three year period.

“Clovis is a four time consecutive recipient of the Future 50 Award since 2005. Our growth has been at an impressive rate of 298% over the last four years and our business has been 84.7% repeat and referral. Our growth is a direct reflection of hard work and dedication from our team and without them, we would not be able to continually grow,” stated Greg Diamond, Managing Partner of Clovis.

Winners of *SmartCEO*'s 4th Annual Future 50 award were recognized at a soccer themed black-tie dinner event on January 29, 2009 at the Hyatt Regency Bethesda in Bethesda, MD. The keynote speaker for the event was Kevin Payne, President and Chief Executive Officer of DC United. The 50 Greater Washington companies who receive the award are also profiled in the January issue of *SmartCEO* Magazine.

“Each Future 50 winner has effectively translated their passion and innovation into tremendous growth and success,” said Jaime Park, Group Associate Publisher at *SmartCEO* Magazine. “We are honored to recognize Clovis as one of the 50 fastest growing companies in Greater Washington.”

Washington SmartCEO magazine is a regional “growing company” publication. *SmartCEO* believes that a “growing company” is really determined by the spirit, drive and dynamics of a company’s owners and managers, rather than by the size of its building, the number of its employees, or its sales volume. Each month, a variety of businesses in the greater Washington and greater Baltimore areas turn to the pages of *SmartCEO* for features, case-study advice and trend analysis, all with a uniquely local flavor. *SmartCEO* is read by more than 34,000 business owners in Baltimore and Washington.

For a complete list of winners, visit www.smartceo.com. Nominations for Future 50/Emerging Growth closed mid-October and are expected to open mid-August for 2010 nominations.

About Clovis

Founded in 2000, Clovis (www.clovisgroup.com) brings a tremendous amount of Federal information technology (IT) experience to the government contractor community. Clovis has a proven record of performing quickly, efficiently, and effectively, and was one of only nine companies nationwide to be recognized three years in a row on the Inc. 500 list of America’s fastest-growing private companies. Clovis hires over 450 people a year and 50% of its staff consultants work in government agencies.
